

BOWHOUSE MARKET WEEKEND

MARKET KICK START FUNDING

We are pleased to be able to offer this funded programme for 2021 set up to help small Scottish food and drink business kick start their business after covid-19.

We are looking to help business who have the same passion as we do towards local and seasonal produce. We want to know your plans and how we might be able to help make it happen in 2021 and beyond.

Any business successful in their application will gain a free market stall at a Bowhouse Food Market which as well as a one-year membership to their local food and drink networking group like Food for Fife for example. Successful applicants will also embark on a business training course of their choice approved by us. Bowhouse will also require a sales data form to be completed after market weekends.

Interested? then please fill out the application form below by the 10th of May.
